The image displays a 3-day calendar for September. Each day's header includes a title and a set of icons: a bed, numbers 4-8, a water drop, numbers 1-6, a pencil, 'p', 'v', a megaphone, a flower, a person, a cloud, a snowflake, a gear, a heart, a musical note, a play button, a person, a triangle, an information icon, and a trash can. The calendar grid shows a repeating pattern of icons in the right column: a person, a plant, a calendar, and a building. The left column is mostly empty, with some light gray shading on the first day.
